

October 2025

Dear Parents,

Secret Santa Gift Shop

We're so excited to announce the return of our much-loved Secret Santa event! Before you say 'It's too soon for Christmas!' - we know! But Santa's elves (that's us!) have a lot to organise to make the festive season magical for our school community.

This magical experience gives children the chance to choose thoughtful gifts for the special grown-ups in their lives - whether that's mums, dads, grandparents, aunts, or uncles. Please note, children's gifts will not be available this year.

How it works

Parents will pre-order the number of gifts their child would like to buy. On the day, each child will visit the Secret Santa Shop with their "shopping list" and choose gifts themselves from a lovely range selected by WISPA - all priced at **£3.50 each**.

Every gift will be beautifully wrapped and ready for your child to label, making them perfect for surprising their loved ones on Christmas Day!

The Secret Santa event is not only a fun and festive experience - it's a brilliant way for children to develop independence, practise thoughtful giving and enjoy the magic of Christmas.

Best of all, every purchase supports our ongoing fundraising for the **Courtyard Renovation Project**, helping us create an even more inspiring outdoor space for our children to enjoy.

This year, we're making things easier than ever by taking orders through our **PTA Events Platform**. Please note there is a small optional service charge - if you're able to cover it, we'd be so grateful, as it means even more funds go directly to the school!

You can order your gifts here: <https://www.pta-events.co.uk/westfields/>

Key Dates:

- **Final deadline for ordering:** Friday, 14th November (we need time for our WISPA elves to make the gifts!)
- **Gift Shopping Day:** Monday, 1st December
- Please send your child with a named bag to safely carry their gifts home.

Thank you for supporting this heart-warming event - where children learn the joy of giving, and every gift helps bring our courtyard dream to life!

Best wishes,

WISPA
