

November 2024

Dear Parents,

Christmas Tree Decoration Competition

The festive season is almost upon us, and in preparation we're excited to announce our Christmas Tree Decoration Competition! This year, we're inviting all children to get creative and design their own special decorations for our school Christmas tree.

Whether it's a beautifully decorated bauble, a handmade angel, a tiny stocking, or any other festive creation that can hang on the tree, the sky's the limit! Let your imagination run wild—every unique decoration will add something special to our Christmas display.

Here's how to enter:

- **Cost:** £1 per entry
- **What to bring:** Your named decoration along with the £1 entry fee to the main office (for safe keeping!)
- **Deadline:** Wednesday, 27th November

A winner will be chosen from each year group, and the lucky winners will receive a prize! All entries will be proudly displayed on the Christmas Tree in school for everyone to enjoy.

So, get crafting and make your decoration sparkle! We can't wait to see the creative designs your child comes up with!

Warm regards,

The WISPA Committee
