## Internet Safety Day

Dear Parents,

On Tuesday 18<sup>th</sup> April, Paul Hay from PCLS Training will be joining us to deliver workshops to all classes on Internet Safety. We believe it is vital that children learn about the dangers of using the internet from an early age.

We are also aware of the challenges for parents when keeping their children safe online. We would therefore like to invite you to join us for an assembly for our Year 1 and 2 children followed by a presentation for parents. This invite for the assembly and presentation is for all parents including those who have children in Year R.

The assembly will start at 9:00am and last for 30 minutes and the presentation will start at 9:30am and will last for an hour. We are aware that many parents work so if you are only able to attend the assembly that is fine.

Please note that unfortunately we are unable to accommodate preschool children.

Please [click here](#) to complete the google form to confirm if you will be attending by Thursday 30<sup>th</sup> March 2023.

Yours Sincerely,

*Janette Teague*
