Dear Parents,

Back in September 2013, I excitedly wrote my first letter to parents as the new headteacher at Westfields Infants. I can't quite believe how quickly the time has gone and that nearly 10 years later I am writing my final letter to parents as the headteacher.

I have worked with young children for 25 years and I'm not yet sure how I'll manage without their hugs, declarations of love and random conversations that are a daily part of my life. Over the years these children have delighted me, surprised me, made me smile, made me laugh out loud and they have inspired me. Fyodor Dostoevsky said 'The soul is healed by being with children' and I couldn't agree more. They have left an indelible mark in my heart and it has been an absolute privilege to be a part of their lives.

Westfields Infants is a truly special place and I feel very lucky to have been a part of the team here. I have had the most amazing support from a fantastic group of people who make up the Governing Body and staff.

It goes without saying that I will hugely miss being part of this community but I am leaving Westfields with some fantastic memories. I wish you, and your children, all the very best for the future.

Yours sincerely,

*Janette Teague*
