Invitation to The Multiply Project Games Night - Enhance your maths skills whilst having lots of family fun!

Dear Parents,

We are excited to extend an invitation to you for a special event aimed at enhancing your maths confidence and skills – The Multiply Project Games Night!

Hosted by The Multiply Project which is run by Hampshire County Council, this event promises to be a fun and informative evening where families can actively participate in fun games designed to boost their mathematical abilities. This initiative is part of our ongoing commitment to supporting our parents in their educational journey and fostering a positive attitude towards mathematics.

Details of the event are as follows:

Date: Wednesday, 21st February

Time: 3:15 pm - 5:15 pm

Location: Westfields Junior School Hall (please sign in at the School Office)

The Multiply Project Games Night is the first in a series of sessions we plan to host throughout the academic year. We believe that by making maths engaging and enjoyable, we can create a positive learning environment that extends beyond the classroom.

We encourage you to bring your children along, as they are also welcome to attend. This provides an excellent opportunity for family bonding while sharing the joy of learning together. Refreshments will be provided, and we will be on hand to answer any questions you may have.

Please confirm your attendance by completing the [online form](#).

We hope to welcome lots of our families to The Multiply Project Games Night!

Many thanks,

Miss Campbell
Westfields Junior School
Maths Co-ordinator

Mrs Fennell
Westfields Infant School
Maths Co-ordinator

Free Games Event

FREE Games Event for Families

21st February 2024, 15.15-17.15

Imagine...no phones, no screens, just having fun as a family. Take a break and share dedicated time with your children to play games.

The Multiply team know that games are a fantastic opportunity to encourage mathematical thinking in so many ways. We are providing a FREE games event to give you that special time with your family whilst enhancing your inner mathematician!
