## Your School Lottery

Dear Parents,

Since launching 'Your School Lottery' in March last year, we have raised £150 for our school so thank you for the support shown so far.

For every £1 ticket sold, 40p is raised for our school. It works in a similar way to any other lottery, you choose 6 numbers (0-9) and if they match the weekly lottery draw, you win a cash prize. It's as easy as that! Once you have signed up, you can make a one-off payment or you can choose to set up a direct debit. You can choose to buy tickets one month and not the next, there is no obligation. There will be **one winner for our school each week** and the chance to win the £25k Jackpot. The more tickets sold, the higher the prize will be so please encourage family and friends to get involved and share the link.

Winners will be contacted by email. More information is available overleaf.

## Splitting the £1.00

## How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Westfields Infant School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online by direct debit or debit card.

**It's so easy to join and will make a real difference to Westfields Infant School**

- 40p** goes to our school
- 36p** goes to cash prizes
- 20p** goes to admin costs
- 4p** goes to VAT

**The Maths...** 100 tickets sold a week means  
= **£30** weekly cash prize  
= **£2,080** a year for our school
