Dear Parents,

Where did January go? I think you could be mistaken that it was washed away in all the rain we have had and I am certainly looking forward to more signs of spring as we step into February next week! It is quite amazing that despite the dull days, all of our classrooms remain exceptionally busy with lots of engaging learning and golden moments as we shared in our assembly this afternoon. In addition to this, this week Mrs Kirby and Miss Parsons were pleased to welcome five parents to their Coffee Morning for parents with children who have SEN; as always feedback was very positive and those who attended felt it was a valuable opportunity.

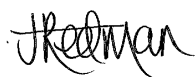

In terms of **governance**, on Wednesday morning our Assessment and Progress Committee, which included one of our new governors Mrs Makunura, met to share our anonymised analysis of internal data for the end of the Autumn Term following assessment, moderation and pupil progress meetings. Alongside parents receiving their child(ren)'s Learning Targets (Reception pupils) and Attainment Trackers with key targets (Year 1 and Year 2 pupils), one of this committee's key responsibilities is to monitor all of our data percentages across both of our schools and to challenge progress. Detailed analysis and strategic plans in terms of learning provision were discussed to further support all of our pupils to reach their academic potential across the curriculum.

I sincerely hope everyone has received my letter via email (attached) regarding arrangements for our **Spring Term Parents Evenings** after half term. As always and detailed in the letter we hope all parents will meet with their child(ren)'s class teacher(s) to discuss progress and next steps as we value our partnership working so highly. The process to book an appointment remains the same as before (via our Arbor App) which opens at 6.00pm on Monday evening, but as always, if you require any help regarding this please do not hesitate to pop in to the School Office, or give us a call and a member of the team will gladly assist you; there is so much to share and celebrate.

To end on a well-being note and looking ahead, I would like to share the wise words of the **'Friendly February' Calendar** from Action for Happiness; the focus is all about the theme of friendship and positively connecting with others. I believe that we all value our connections and support through friendships but sometimes we just need a little reminder of just how important and impactful they are!

Have a lovely weekend.

Kind regards,

Miss Jo Redman,  
Executive Headteacher

## A few reminders...

- We are all looking forward to welcoming you for our **Open Session** next week on Thursday 5th February between 8:45am and 9:30am - just as last term, this is an informal opportunity to have a look at your child(ren)'s work.
- If your child will not be attending school, please inform us by 9:00am with the reason for their absence to support our **safeguarding procedures**.
- Please may we once again remind parents not to use the staff car park at any time as it is for the use of staff and deliveries.

## WIS Spring Term Clubs are in full swing...

Well done to all of the children (and staff!) who are having so much fun, learning new skills and developing new interests at our array of clubs! From a range of sports, drama and singing to art, computing and even ukulele, we hope that there is something for everyone!

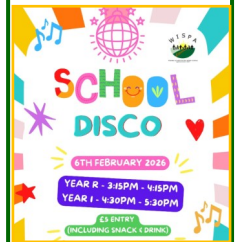

It is always so wonderful to see different groups of children mixing together to explore different interests and skills. Thank you so much for all of your support in encouraging creativity, fitness and talents! I think it is safe to say, fun is most certainly had by one and all!

## WISPA NEWS...

Excitement is building about our Year R and Year 1 Discos on the 6th February.

As previously mentioned, full details regarding booking disco tickets have been emailed so please be sure to take a look and book if you would like your child to join in the fun!

Please also be aware that we have a federation multi day planned for a treat on the last day of the half term on Friday 13th February.

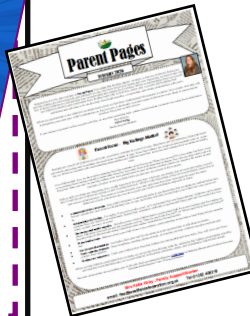

## Bag2School Donations

Please be aware we have arranged a **Bag2School drop off** for 26th February so please keep hold of any unwanted: clothing, paired shoes, handbags, hats, scarves, ties, socks, belts to donate - any contributions from family, friends or neighbours will also be gratefully received. This is a great fundraiser and it will save you a trip to the charity shop!

## PARENT PAGES

Please remember to take a look at February's Parent Pages emailed to you today from our fabulous Family Support Worker Mrs Kirby. This edition's theme is **'Big Feelings Matter'** We all know how powerful our emotions can be and as adults we need to model how to manage these to support our well-being. As usual Mrs Kirby shares some insightful top tips that we hope everyone will benefit from sharing. There are also some great links for some local family fun alongside some quick reference family support helplines and apps... so if you feel this may be useful, why not take five minutes to have a read?
