

## Our School Dog... Dexter's News!

### March 2024 - Post No.50

March has been marvellous! I have been so busy and involved in so many new and exciting things.

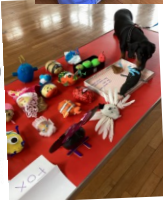

Firstly I would like to share a new skill that I have learnt: preparing children's work to go up on display. I am sure you will have noticed how lovely the displays are around our schools and with the recent Parents Evenings, almost every parent has been in school so I thought it only right to let you know that I make a contribution to these—here you can see me helping with my glue stick and strimmer.

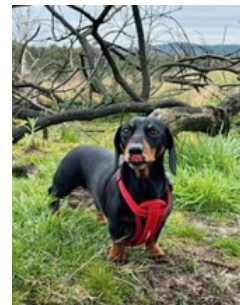

In other school news, March has been very eventful, one highlight for me has to be World Book Day! This year I managed to attend Miss Redmond's Assembly, Mrs Long's Assembly, act as a potato book character Competition Judge and do some buddy reading—what a memorable day it was! I

must also mention that I feel I have reached the heights of fame as one of the potato characters was me—I took particular interest in this one!

Outside of school, I must confess that it has been a little unsettling as Miss Redman and I are moving house. There have been lots of boxes all over the place and as I do like to stick to my routine, I have not enjoyed this too much! Having said that we are nearly there and my new garden is a bit bigger so that is definitely something to look forward to. Of course we haven't just been packing boxes, between the many rain showers (and torrential downpours!) we have got out and about, visiting our usual spots as well as discovering new places to explore. Here I am being a little bit cheeky on a trek across Hankley Common with two of my pals, Blue and Odin!

That is all from me for now. I am excited to see what Awesome April will bring—have a lovely Easter break and I'll look forward to seeing you at the start of the Summer Term!

Love,

Dexter
