

## Our School Dog... Dexter's News!

### September 2023 - Post No.44

Splendid September has quite simply whizzed by as I have been such a busy boy! Firstly

I went to my first outdoor cinema experience. It was such a fun evening with a live musician performance before the main event of the film. Miss Redman said I was very well behaved but the snuggly blankets and treats certainly helped.

In more active terms, here you can see me supervising Miss Redman's nephew at the driving range. Golf is not a sport I have experienced before and Zach explained to me that this was not as much fun as the

proper game on a course but I must say that I

enjoyed the experience and I am sure my positive disposition helped him to achieve some very long shots... I was certainly impressed with his skills but then again I may be a little bit biased!

By contrast to these fun-filled memories, September has also brought... bath time! Now I don't know about you but I think it is fair to say that I am not a fan. How about you? How is your personal hygiene? Although I do quite like the tummy rubs and treats involved, I am not sure that I will ever actually enjoy the time I spend in our kitchen sink!

In addition to widening my fan club with all of the new pupils across our schools in Reception and Year 3, and further to the introduction last month to Geoffrey the Giraffe, I have made another new friend who I thought you'd like to meet, this is Stanley another miniature dachshund but he is just a baby, only 13 weeks old. We bumped into each other in Godalming and were instant pals.

I am looking forward to sharing the autumnal colours of October with you all, Miss Redman has promised to organise lots of Dexter's Walking Buddies Sessions and I can't wait to chase all of those fallen leaves!

Love,

Dexter
