

Our School Dog... Dexter's News!

January 2024 - Post No.48

Well 2024 certainly seems to be flying by already, I cannot believe that we are at the end of January but what a VERY chilly and rather soggy month it has been! As many of you know I am NOT a fan of the cold, give me a sunny day any time and failing that I'll take a snugly blanket next to a radiator or open fire!

So what news do I have to share with you for January?! To be honest although it does feel busy, I've not really been anywhere specific (or

particularly exciting!) but I have been on lots of walks... muddy walks, windy walks, riverside walks and walks on painted lines! I do **love** walking on a painted line or sometimes along a curb - do you?

At the Juniors I really enjoyed attending the Westfields Has Talent Auditions, sadly I was not able to see them all due to a prior engagement with my lovely dog walker, but the ones I did see were fantastic... there really is so much talent at Westfields! Miss Redman tells me that the Showcase is in a couple of weeks on Wednesday 7th February so I will be able to see all of the finalists perform too - I just can't wait! I have also enjoyed my first Lunchtime Club session at WIS, unfortunately I was too busy playing in the den that was especially made for me and doing tricks to have my photo taken. But as I enjoyed myself so much, I'll be sure to be back again soon!

At last the evenings seem to be getting a little lighter and the shortest day of the year is now a distant memory so here's to having lots more fun in the fresh air in February!

Love,

Dexter
