

Our School Dog... Dexter's News!

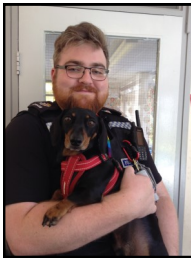

June 2024 - Post No.53

Joyful and sunny June has been so much fun, in school, at my new home and out and about, I feel like I'm living my very best life. Perhaps this is because despite the fact that my fur seems to heat up remarkably quickly, I really do love the sun and we have certainly had the most sunny days in June than the rest of this year!

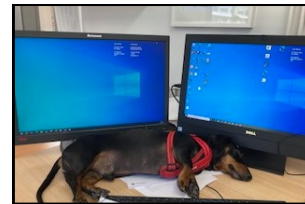

It feels as though the pace of life has stepped up a gear during June, there have been so many exciting events in school and of course I never like to miss out! From a few walks and play dates on the playground and in classrooms, to a police visit, Poetry Slam and even a parents Quiz Night and two PTA AGMs ... I've supported them all and certainly had lots of fun along the way!

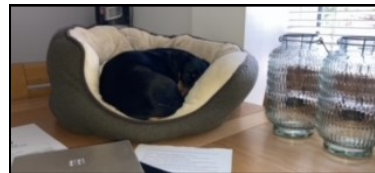

In addition to all of this, I must mention that I particularly enjoyed the opportunity to take centre stage in the Year 2, Year 6 and even whole Federation photographs. It may be a little modest of me, and whilst the children are all gorgeous, I definitely think I add a little extra something by sitting up so tall - even the photographer said I was one of the best behaved!

As evidence of how busy my workload has been, I thought I would share these snaps of me after particularly exhausting days both in school and at home ... a school dog's work is never done!

And so here we are about to embrace July, the last month of the academic year... I wonder what memories we'll make?!

Love,

Dexter
