

## Our School Dog... Dexter's News!

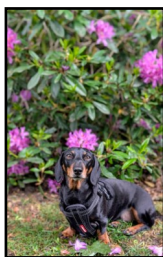

### May 2025 - Post No.64

I blinked (or maybe snoozed a little?!) and 'Magnificent May' has whizzed past in no time at all! It has been another funny month in terms of the weather, but whenever the sun has shone I've been sure to get my slinky body outside and soak up some vitamin D!

In addition to my duties on the playgrounds at the beginning of the day and at the end of day sometimes too, as usual I have thoroughly enjoyed all of the Class Assemblies that I have attended. I am always so impressed with how fantastic the children are. They speak with such confidence and I do love a catchy song although no-one seems to appreciate my singing if I ever join in! I have equally enjoyed meeting some new members of our Westfields Community in the form of visiting parents and staff on tours—I love to impress them and share all of the wonderful things we get up to!

During the final week of this month we have all enjoyed a little break. I started off mine by going to stay with some friends in the Midlands.

Amongst lots of local walks we also had a day out to Stratford-upon-Avon. We travelled by train (of course I was perfectly behaved!) and then we visited the historic market town which is associated with William Shakespeare himself; we even

visited Holy Trinity Church where he is buried. We had a lovely walk along the River Avon - can you spot the heron we saw? It was all very exciting but before we come back to school, Miss Redman says I've got to rest at least a little bit so that I am fully prepared for all of the fun-filled action of the final half term of this whole school year. I am sure there

will be more memories made but I wonder what we will get up to during 'Joyful June', I cannot wait to share more adventures!

Love,

Dexter
