

Our School Dog... Dexter's News!

April 2025 - Post No.63

April has brought more signs of Spring and a combination of sunny warm days (most recently even scorching!) as well as a fair few soggy ones! Needless to say I have definitely had more fun in the sunshine than the showers - I do NOT like the rain!

In my working weeks I have particularly enjoyed all of our Easter fun, from attending the Federation Chocolate Bingo and special assemblies to the Easter Hunt at WIS - there was so much fun to be had but also the temptation of SO much chocolate and Miss Redman says I'm not allowed ANY!

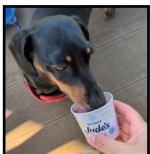

Following the relocation of our duckling friends to their forever home with Mrs Green, she introduced me to another feathered friend. This time it was Prisoilla the Chicken. I'm afraid I must confess that although she was almost double my size I was not particularly keen to make friends; Miss Redman said that I let myself down because I was a little bit barkley!

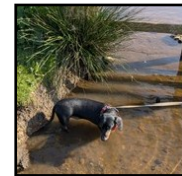

Miss Redman and I had a lovely Easter break, we were very busy... some of my highlights were helping in the garden, celebrating my Grandad's 80th birthday, going on a special sausage dog walk with 'pup-cups' at the end and even helping my Aunty in the florist that she works in.... So much fun was had but I was also very excited to be back at school with all my Westfields friends for the start of the Summer Term!

At the end of this month the weather has been so sunny I have had to find alternative ways to make sure that I keep myself cool and here are a couple of examples - I'm not usually that keen on water but a cooling paddle was just what I needed, in contrast, whatever the weather I do love an ice-cream so the soaring temperatures were the perfect excuse!

I wonder what 'Magnificent May' will bring... hopefully a little more sunshine?!

Love, Dexter
