

## Our School Dog... Dexter's News!

### September 2025 - Post No.68

Here we are already at the end of the first month of the new school year! I have to admit, the busy diary we have across Westfields Infant School AND Westfields Junior, I have had to have quite a few lazy weekends to recover!

Even when Miss Redman was busy taking up an old carpet, rather than being my usual helpful self and lending a paw, I just took myself off into my bed to snooze while she was busy doing the DIY—she snuck a photo of me sleeping on the job!

In school this month I have enjoyed catching up with everyone's holiday news, loved my gate duties and of course a highlight absolutely has to be meeting the new Reception children in Fox, Hedgehog and Squirrel classes; I was a special guest when Miss Redman was awarding Star of the Week certificates, she shared my safety guidelines and answered a few questions all about me!

Outside of school I have enjoyed another sausage walk with lots of my four-legged friends. This time we went to Thursley Common and as a special treat afterwards we all had pupcups which were absolutely delicious!

My other rather strange experience this month was meeting a cat whilst out on my walk in Godalming... yes you read

correctly... an actual cat... on a lead!

Miss Redman was so proud of me as I didn't even bark at it even though I don't think they should be on a lead. Can you see her here?

It doesn't seem possible that October is only just around the corner but I can't wait to see what fun we'll share... it is certainly great to be back with all of my school friends!

Love,

Dexter
