Dear Parents,

This week we have welcomed December with a bucket full of sparkle and scattering of festive fun! Firstly I must mention how lovely our **beautiful tree** in the front entrance looks. Decorated with all of the children's entries from the WISPA Christmas Decoration Competition, it brightens up the reception area no end! Mr Long has also dutifully hung all of the class' decorations in the hall, the children have shown such creativity to make these colourful additions to spread a little festive cheer. Our postboxes have found their way to the front entrance and back corridor; many of our pupils have enjoyed posting their cards to friends and staff across the school and the sorting elves are enjoying delivering them. In addition to this, rehearsals and year group performances are in full swing with the heart-warming sound of children singing filling the air!

Of course, another highlight this week has to be our wonderful Reception cohort performing their Nativities which I must say were outstanding! I am sure that every single member of the audiences shared our sense of pride! The children's (and staff's!) efforts resulted in a truly memorable treat, their version of '**Baarmy Bethlehem**', was toe-tappingly wonderful and with the addition of a signed version of We Wish You a Merry Christmas, I think there were certainly more than just a few glassy eyes!

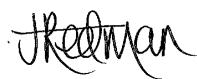

Relating to the topic of performances, I am delighted to share what a wonderful experience last weekend's **Yateley Christmas Market Choir Performance** was! A sincere thank you must go to Mrs Fennell who enthusiastically prepared our superb Choir throughout the term. In addition to this, thank you to Mrs Williams and all of our families for supporting the event. It truly set a festive tone and remains such a privilege to showcase our children's talents within the local community!

Looking ahead, there are more special events timetabled next week with highlights including our **Christmas Lunch** and of course our greatly anticipated after school **WISPA Christmas Fair**! The team have been so busy but I am sure that any more offers of help would be greatly appreciated. If you think you may be able to volunteer to support the event, please drop them a line via their email: wispacecommittee@gmail.com.

While we are all enjoying the festive season and the sense of fun and belonging it brings, I must address an important matter. Recently, I have been made aware of a number of instances of inappropriate comments and discussions that do not reflect the respectful and collaborative ethos of our school community. Several parents have highlighted concerns about the use of class **WhatsApp groups**. Please remember that whilst these groups are not official school platforms, their intended purpose should be to share practical information and offer positive support to one another. As always, if you have any concerns or questions, please make use of our open door policy and speak directly with your child's teacher, myself or a member of the Senior Leadership Team. Together, we can maintain a culture of respect and ensure that communication remains constructive and supportive.

Have a wonderful weekend, be sure to relax and recharge - we have two hectic (but exciting!) weeks to go!

Kind regards,

Miss Jo Redman, Executive Headteacher

A few reminders...

- **CLUBS UPDATE:** Judo Club has now finished for the term. All remaining clubs (with the exception of ACE Kids) finish **next week** for this term. Please also be aware that the **Spring Term Clubs Timetable** will be emailed next week - please keep an eye on your inboxes.
- **Mackenzie Smith Colouring Competition** entries need to be handed in to a member of staff by Monday 15th December as they are being collected for judging - good luck one and all, we certainly have some talented pupils!

YATELEY CHRISTMAS

MARKET CHOIR PERFORMANCE

What a treat we shared last Saturday afternoon! Dexter and I were absolutely delighted to join our School Choir and Mrs Williams alongside the WJS Choir for some rather wonderful community festive fun at the Yateley Christmas Market. Once again our talented School Choir impressed us all by performing their festive songs (including some signing!) beautifully to a truly dazzled local community audience. They performed as an individual choir and collaboratively with the WJS choir and every song was fantastic! Well done to you all, I hope you enjoyed it as much as we did!

Year R Christmas Nativity Success...

What a treat we shared on Thursday and Friday morning! Our youngest pupils took to the boards (or school hall!) to impress adoring audiences with their fantastically confident speaking, acting, singing, dancing and even signing! I am not sure there was a dry eye in the house! We are all incredibly proud of the children's efforts and performances, it hardly seems comprehensible that they have only been in school for three months! They are all superstars! We sincerely hope you enjoyed sharing this festive fun milestone!

Please be aware that photographs from the performance are available to order until 10.00am on Wednesday 10th December 2025 - if you wish to make any orders, please return the slips with cash payments by this time.

WISPA NEWS...
