

Data Headlines 2018

We are once again thrilled with our end of year results. In every area where we submit results to the DfE we are well above National figures.

Year R

81.3% of our children achieved the expected Good Level of Development. The figure was 71.5% of children nationally.

Year 1

89.3% of our children achieved the expected standard in the phonics screening test. The figure nationally was 82.5%.

Year 2

The table below shows the number of children who achieved the expected standard compared to the National figure

	Westfields Infants	National
Reading	88.2%	75.4%
Writing	82.4%	69.9%
Maths	84.7%	76.1%

The table below shows the number of children who exceeded the expected standard and achieved 'Greater Depth' compared to the National figure

	Westfields Infants	National
Reading	42.4%	25.6%
Writing	23.5%	15.9%
Maths	30.6%	21.8 %
