4th September 2013

Dear Parents/Carers

On behalf of all the staff I would like to begin by welcoming all of those families who, like me, are new to Westfields Infant School, as well as welcoming back our established families. I hope you all had a lovely summer and enjoyed the sunshine.

I hope to meet as many of you as possible over the coming few days and I will be in the playground before school whenever possible, so do come and say hello. I thought a letter of introduction would be a useful way of letting you know what I consider to be important about the education of young children.

I am really excited about taking up the post of Headteacher at Westfields Infant School. I was previously at an Infant School in Fleet and I knew Mrs Powell through our local Headteacher meetings. What I have always noticed about Westfields is how friendly and welcoming it is. I am committed to maintaining this family feel where the children are at the centre of everything we do. I am passionate about infant education and believe it is vitally important to support children's social and emotional development as well as the development of their academic abilities. I am committed to working in partnership with you to achieve this.

Westfields Infant School clearly has many strengths. I am looking forward to working with the school community to build on these and getting to know the children, staff and of course you.

I am keen to ensure that we continue to work together to provide the best opportunities possible for our children here.

With kind regards,

*Janette Teague*

Mrs Janette Teague  
Headteacher
